

Surface Laptop Go 2

Sleek, light, on-the-go performance

Sleek and portable, Surface Laptop Go 2 is the lightest Surface yet, making it perfect for students who are on the go. Featuring a 12.4" vibrant touchscreen and great typing experience, Surface Laptop Go 2 combines an improved HD camera, secure Windows Hello sign-in, and a performance boost— all in a premium design with a choice of rich colors.

Key Features

- Interact effortlessly on the 12.4" Pixelsense™ touchscreen.
- Do the things you love with faster, 11th Gen Intel® Core™ i5 processor.
- Capture your reality with improved HD camera and built-in Studio Mics.
- Get more done on full-size keyboard with fast, fluid key travel.

Upsell Opportunity

Pair the Surface Laptop Go 2 with the Surface Thunderbolt™ 4 Dock and the Surface Pen V4 Stylus.

Common Objections and How to Handle Them

“The battery life of the Laptop Go 2 isn’t great.”

The Laptop Go 2 works up to 13 hours with normal use. If that’s not enough for you, the Laptop Go 2 also has Fast Charging, so users can spend less time charging devices and more time in class or using on the go.

“The Laptop Go 2 isn’t powerful enough.”

The Laptop Go 2 is a blend between the Surface Laptop and the Surface Go. It has an 11th Gen Intel® Core™ i5 processor, which is powerful enough to handle all the projects that most students would need to do. In addition to being able to run programs in the Microsoft Suite, students can play games and stream movies on this device.
