

Surface Hub 2S 85"

Teamwork without boundaries

Key Features

- Designed for group collaboration. Invites simultaneous inking in Microsoft Whiteboard plus larger-than-life remote attendees in Microsoft Teams.
- Surface Hub 2S is designed to meet your students' needs today and into the future. As new software, hardware, and services become available, you can easily unlock the best experiences from Microsoft.
- Students can collaborate, coordinate meetings, and take their presentations to the next level. Pair the Hub 2S with the Hub 2 Pen for fast and precise writing and the Hub 2 Web Camera to see every detail.
- Consistent Surface Hub 2S experience. Provides the same premium design, 4K display technology, touch, pen/ink, compute cartridge, and camera support as Surface Hub 2S 50".
- Integration with existing and new A/V systems. Combines with Microsoft Teams certified peripherals and integrates with Microsoft Teams Rooms.

Campus Sales Positioning

- Bring remote teams together to do face-to-face conference calls. The Hub 2S allows your business students to brainstorm with their team in real-time.
- Allow your athletes to see play-by-play in a whole new way. Take notes, Zoom, and do more.
